

SM5815 DATA SHEET

RP SMA Female to N Male Adapter

RP SMA female to type N male adapter part number SM5815 from Fairview Microwave is in-stock and ships same day. This Fairview reverse polarity SMA to type N adapter has a female to male gender configuration. SM5815 reverse polarity SMA female to type N male adapter operates to 11 GHz. The SMA connector mates mechanically with commercially available 3.5mm and 2.92mm (K) connectors. The Fairview Microwave RF adapter provides excellent VSWR of 1.25:1 maximum.

RF adapters can be used to enable connections between two connector types that would otherwise not mate. Certain RF adapter configurations can also be used to protect connectors on expensive equipment where the number of connect and disconnect cycles is high. An RF, microwave, or millimeter wave adapter is connected to the equipment and the commonly changed connection is made with the adapter which can be easily replaced when it wears out after high usage; such adapters are referred to as connnector savers. Fairview Microwave also offers bulkhead, panel mount, hermetically sealed, reverse polarity, and isolated ground adapter varieties to serve all of your RF, microwave and millimeter wave needs.

Electrical Specifications

Description	Min	Тур	Мах	Units
Frequency Range	DC		11	GHz
VSWR			1.25:1	

Electrical Specification Notes: Values at 25°C, sea level.

Mechanical Specifications

Size Length Width Weight		1.205 in [30.61 mm] 0.78 in [19.81 mm] 0.07143 lbs [32.4 g]
Description	Connector	
Туре	SMA Fema	e N Male
Polarity	Reverse Pola	rity Standard
Interface Specification	MIL-STD-34	48 MIL-STD-348
Mating Cycles	500	500

Configuration:

- SMA Female Reverse Polarity Connector 1
- N Male Connector 2
- 50 Ohms
- Straight Body Geometry

Features:

- VSWR of 1.25:1 max up to 11 GHz
- SMA interface meets MIL-STD-348
- N interface meets MIL-STD-348
 - Contact plating according to MIL-G-45204
 - Gold Plated Contact

Applications:

- Enables Between Series
 Connections
- General Purpose Test
